VI. The Residents of Kulbarga and Ramegavadah propose that a Road branching from the Madras High Road near Kappal Kadpa be opened towards Pungonur. As this is a most important Road frequented with heavy traffic and appears to be very useful. —

The Board resolve that the Executive Engineer be requested to get the Road traced out, and the cost ascertained with a view to the necessary provision being made for the purpose. —

The Committee approve of the proposal and resolve that the Senior Surgeon be requested to send a trained and experienced mid wife on a moderate pay.

VIII. The Assistant Surgeon

brings to notice that Ramaiya, who is employed as Surgery Coolie at the Kolar Hospital, on a monthly salary of Rupees 8, is a most hardworking and useful servant. He knows both Canarese and English, and helps his superiors as clerk in addition to his own work. His pay was some time back higher than at present but it seems to have been reduced lately for reasons unknown. He has been in service for 15 years without any promotion.

Resolved that the pay of Ramiah be raised from 8 to 12 Rupees per mensem, and that his designation be changed into assistant Compounder.

Sir,

With reference to the last para of your docket No. 6063/2253 of the 10th Instant, I have the honor to state that the proposed entertainment of a Midwife is not intended solely for the benefit of the Kolar Town, but her services will be utilized also in the outlying Talukas of the District whenever needed. Considering the limited resources of the Kolar Municipality, it was proposed that the Cost of maintaining a Skilled caste-Midwife, viz., Rs. 20 to 25, might be borne by the District Fund and I, therefore, request that
